

Internship Opportunities Available

South African Airways, as our national carrier, is committed to becoming the carrier of choice in the markets we serve. This is inspired by our belief in service excellence, integrity, accountability, quality, safety, people development and value to our shareholders. Our success in achieving these objectives is dependent on identifying, developing and retaining people passionate about SAA and the aviation industry. If you aspire to be part of a national pride, apply to the SAA Internship programme and see what we are all about.

The internship programme is supported across all our divisions including, Commercial; Information Systems; Finance; Human Resource Management; Legal, Risk and Compliance; Airport Operations Cargo, Technical and Air Chefs. If you are currently in your final year of completing a degree or three year diploma in any of the following fields and have a high achievement orientation and a willingness to learn, please send us your cv for an opportunity to join SAA on our exciting internship programme.

Accounting	Mathematics or statistics
Computer science or information systems	Human resources or Psychology
Economics	Marketing or communications
Engineering	Management science
Law	Risk Management
Travel and Tourism	Logistics management
Hospitality with a specialization in food	
Hospitality with specialization in Customer Service	

Before applying for the Internship program candidates must meet the following requirements:

- Currently studying in final year or postgraduate studies
- Completion of internship programme / work experience must be a requirement of course work
- Good academics and Extra Curricular Involvement
- Must have a passion for their field of study and desire to practically apply what has been learnt
- Analytical and interpretation skills, organisation skills and communication skills, proactive thinking

Why take flight with SAA?

The SAA Internship program is a unique opportunity to gain business skills in the aviation industry. The Program will provide you with the following benefits:

- Gain an understanding of the working world from a perspective of “what can I do with my degree”
- Gain exposure to field of expertise as well as acquire critical business competencies
- Open the door to future potential working opportunities within SAA
- Earn that much desired income as a student in university holidays
- Add a reference to your cv and create a working portfolio

If you are looking to experience a taste of your success, are excited by our Internship programme and meet our minimum requirements then please submit your application by close of business on 29 July 2011 to talentacquisition@flysaa.com . We will be in touch with you shortly after the closing date regarding next steps in the talent acquisition process.
